### **Babysitter indicted on Murder Charges**

(Akron, September 2, 2010) ... Summit County Prosecutor Sherri Bevan Walsh announced today that the Summit County Grand Jury indicted Tiffani Calise, 20, of Uniontown, on charges of Murder, Involuntary Manslaughter, and two counts of Child Endangering for causing the death of a twenty-three month old girl she was babysitting.

Calise will be arraigned on Wednesday, September 8, in Magistrate Shoemaker's court.

On the night of August 9, 2010 at 11:40 p.m., Calise called 9-1-1 reporting that the toddler had fallen in the bathtub. The baby died on August 12, and the Summit County Sheriff's Office charged Calise with murder on August 17, 2010, after an investigation into the incident.
