Summit County Prosecutor Announces Indictment in Stow Homicide
Buck to be arraigned April 9

AKRON, OHIO – April 4, 2014 – Summit County Prosecuting Attorney Sherri Bevan Walsh today announced that the grand jury has indicted Roxanne Buck, 44, of Bryn Mar Drive in Stow, for the murder of Michelle Johnson. Buck is charged with Murder and Tampering with Evidence, a felony of the third degree. Johnson, 21, lived at the same address as Buck. Her body was found in a shed on the property on March 15.

“Every murder is horrific and senseless, and this case is no exception,” said Prosecutor Walsh. “My heart goes out to Michelle’s mother, her family and friends, and an entire community that is wondering why this woman was brutally taken from them.”

Buck will be arraigned in the Court of Common Pleas on Wednesday, April 9 at 8:00 a.m.
