Northfield Man Pleads Guilty in Connection with 4-Month-Old Daughter's Death

AKRON, Ohio (Thursday, December 10, 2015) – Summit County Prosecutor Sherri Bevan Walsh announced today that Louis Delery, 24, of North Plaza Drive in Northfield Village, pled guilty to causing the death of his infant daughter.

Delery pled guilty to the following charge:

- Involuntary Manslaughter – a felony of the first degree

Investigators say Delery was alone with his daughter, Addison in August of 2014 at his Northfield Village home. Delery called 9-1-1 and said his daughter had stopped breathing. The Cuyahoga County Medical Examiner conducted an autopsy and discovered the 4-month-old had multiple rib fractures. The investigation found Addison died from a chest compression which caused her to not be able to breathe.

Summit County Common Pleas Court Judge Amy Corrigan-Jones is scheduled to sentence Delery on January 27, 2016 at 9am.
